Epilogue  
240

**There is no such  
thing as a free ride.**

**Learn to expect to get what you  
deserve rather than what you want.**

**There is no greater  
truth than to express  
one's humanity.**

**Nothing great  
has ever been  
achieved without  
enthusiasm.**

In the hectic pace of life,  
one must always take  
time to relax.

**It took a brave kind of wisdom to look out  
over the sea and realize there would be  
land to discover.**

**Put yourself out on a limb now and then,  
you'll stand a better chance  
at reaching the fruit.**

**I am only one  
person, but I can  
change the world**

Never resist a challenge.

Wisdom is its own reward.

**When you believe in a  
cause, never give up.**

Twenty years from now, you'll be more disappointed by the things you didn't do than by the things you did do.

***VOTE  
HERE  
TODAY***

**Don't let fear stop you!**

**Experience each day that dawns  
as if it were your first.**

Live well,

laugh often,

and love much.

Read,

Weigh,

and  
Consider

**If you don't accept defeat  
you cannot be defeated.**

It is often the small actions of our daily lives that, time over time, have the greatest influence on the world.

**Genius is  
about the  
conquering of  
chaos and  
mystery.**

**If it weren't for the last minute,  
nothing would get done.**

**The firmest  
friendships have  
been formed in  
mutual adversity,  
as iron is most  
strongly united  
by the fiercest  
flame.**

# Don't think , Do

**Have long range goals to  
keep you from being  
frustrated by short range  
failures.**

**With love and patience ,  
nothing is impossible**

More important than seeing the future is knowing the present.

Embrace  
change do not  
run from it.

**Most of life is a  
choice - the rest  
is pure luck.**

# Campus Activities Board

The Campus Activities Board is dedicated to producing top quality weekend entertainment opportunities for the UNH community. Some of the past events have included concerts, movies on T-Hall lawn, Spring Fling, Winter Carnival, and Casino Night. Remember CAB is Love.

S.C.O.P.E. is one of the only entirely student run concert organizations in the country. S.C.O.P.E.'s mission is to promote live, national entertainment to the University of New Hampshire campus in Durham. S.C.O.P.E. will attempt to select genres of performances that will appeal to the largest cross-section of the student body, though all productions are subject to budget constraints, as well as the availability of the artist and/or venues.

The WildACTS Theater Troupe raises awareness of social issues in a theatrical and artistic way. They perform scenes addressing all aspects of college life through the trials and tribulations, including sexism, racism, sexual assault, alcohol, body image, homophobia, and the overall transition to college. Scripts are written by students, about situations in college they have had to deal with, which are why each show is so powerful and realistic.

Alabaster blue is a co-ed acapella group that sings contemporary songs and mixes experienced singers, professionalism, fun and friendship, resulting in an experience that is never forgotten.

The UNH College Republicans are dedicated to promoting Republican ideals, supporting Republican candidates, and informing the campus about the republican position so they can make informed decisions when in the voting booth.

The New Hampshire is UNH's student run newspaper. We live and work in the MUB, dedicating ourselves to the pursuit of news and perfect grammar. We'd like to thank all our writers and photographers for all their hard work this year and Good Luck seniors!

Apr. - A U.S. District Judge Thomas Penfield Jackson ruled that Microsoft, the world's largest software company, was a monopoly and had competed illegally. Jackson ordered the company to split, but Microsoft appealed and the case was expected to wind up before the U.S. Supreme Court.

Apr. - Leaders of 34 American nations, including President Bush, found themselves besieged by anti-globalization protestors at the Summit of the Americas in Quebec City, Canada. The protestors sought to challenge free trade and a global economic order they consider unjust.

## May

May - The FBI and newly appointed Attorney General John Ashcroft were embarrassed when they were forced to delay the execution of Oklahoma City Bomber Timothy McVeigh. The FBI had misplaced 3000 pages of documents relating to the McVeigh case.

May 24th - Vermont Senator Jim Jeffords stunned the world when he broke the 50-50 tie between Republican and Democrats when he crossed the aisle to the Democratic party.

## March

Mar. 26th - Hard on the heels of the Mad Cow Disease scare, farmers in Britain and parts of Western Europe were devastated by an outbreak of Foot-in-mouth disease. The outbreak forced authorities to destroy tens of thousands of cows, sheep, and pigs thereby bringing the meat industry to a standstill.

Mar. 27th - "American Beauty," as expected came out the winner at the 72nd annual Academy Awards. It took home the Oscar for best picture, director, screenplay, actor, and cinematography.

Mar. - Turned out to be a very bad month for school violence. A 15-year-old gunman killed two classmates and wounded thirteen others at Santana High School in Santee, California. The next day, a student at a private girls' school in Pennsylvania attempted her own school shooting, yet fortunately was unsuccessful.

Mar. - After being thrown out of power, dictator Slobodan Milosevic was arrested and brought to the Hague. He is to face an International War Crimes Tribunal for crimes he committed during the conflicts in the former Yugoslavia.

In March, UNH held a Spring jazz festival with legendary jazz trumpeter Clark Terry the guest of honor. Terry served off and on for more than 30 years as the lead trumpet player for musical greats Duke Ellington and Count Basie.

# Take Back The Night

SHARPP led UNH students through an emotional night of learning and understanding. Students, faculty, and student organizations shared moving experiences and came together to march in an amazing feat of working positively against violence.

# Spring Fling

In April C-Lot was overrun with energetic students as CAB and the town of Durham flung UNH and the town of Durham into Spring. The celebrations were kicked off with a university wide picnic. On Saturday, C-Lot was full of rides and games, including pudding wrestling. Main Street also managed to fill the street with vendors and live bands which lasted all day.

# **Editor's Notes**

To The Class of 2001,

This was not the book we set out to do. Nevertheless, after months of dedication, hard work, blood, sweat, and yes even some tears, we have managed to create the 92nd edition of The Granite. We hope that in the years to come, it will fill your hearts with pride and head with memories that you'll never be able to forget.

On a personal note, the senior editors of The Granite would like to thank Col. Joseph and Kathy DiRosario and Jeff and Cindy Tappin. We owe you more than we'll ever be able to say thanks for.

Volume 92 of the University of New Hampshire; *Granite* was produced by the 2001 staff. Granite was printed by Jostens/Hunter Publishing company, 2505 Empire Drive, Winston-Salem, North Carolina 27113-5867. J. Cole Harris served as the Company Representative and Kristen Elerbee served as the Account Executive. The trim size of this publication is 9x12 inches. Granite is a fall delivery book with a press run of approximately 2400 copies. Each graduating senior receives a complimentary copy.

**Design:** The software used for the entire publication was Adobe Pagemaker 6.5 on a Macintosh platform. All basic layouts were designed by Nicholas DiRosario and maintained throughout the course of the book by the Granite production staff. All dividers were designed by the Josten's Publishing Company Art Department. The prologue and epilogue were designed and developed by Nicholas DiRosario. The senior Section was designed and developed by Ryan Tappin with assistance by Tracey Stroomer. Each Season in Review was designed and produced by Nicholas DiRosario, with maintenance by the production staff. The Sports Layout and sports scoreboards were organized and designed by Nicholas DiRosario, with assistance by Kristen Harding. All business matters related to production were handled by Karin DuBrueil (Fall) and Ryan Tappin (Spring). Jennifer Liakopoulos handled all office tasks. Advertisements were coordinated and solicited by Nicholas DiRosario and Ryan Tappin.

**Theme:** The theme of the 2001 Granite is "Words of Wisdom." This was decided by a vote of the Granite staff in which we decided to collect all of the saying our families had offered over time. Once this were collected, we selected the best ones. Moms and Dads we can't thank you all enough.

**Photography:** All photographs were reproduced using a 150-line screen. Unless otherwise indicated, all photographs were taken by Granite photographers: Alisha Ryan, Michele Peters, Nicholas DiRosario, Josh Gibney, Tracey Stroomer and Ryan Tappin. Endsheets were shot by Nicholas DiRosario. McGrath Studios of Marlborough, NH photographed all senior portraits and developed all film.

**Paper:** The Prologue and Epilogue sections feature four color in a specially mixed version of Matte Black ink with spot varnish on all photos. Endsheets are printed in four color and coated on one side. Paper stock on the 2001 Granite is 80 lbs. Premium high gloss deluxe with the exception of pages 1-32 and 240-258 which is 100 lbs Premium high gloss paper.

**Text:** All text was written by Nicholas DiRosario and Ryan Tappin.

This publication was paid for by the Student Activity Fee. All members of the Granite were full time undergraduate students at the University of New Hampshire and managed all aspects of this work of art.

# EPILOGUE

---

The present is the  
blocks with which  
we build.

The time is  
always right  
to do what is  
right.

I am not afraid of tomorrow,  
for I have seen yesterday and  
I love today.

Whatever is with  
the past has gone,  
the best is always  
yet to come.

Let us add this one  
more night to our  
lives.

Where is the yesterday  
that worried you so?

We do not remember  
days, we remember  
moments.

Life is a party. You  
arrive after it's  
started and leave  
before it's finished.

Life is a thing  
we do, now or  
never...which  
will you?

He who dares to fail greatly,  
can achieve greatly.

A friend is one  
who knows all  
about you and  
loves you just  
the same.

**It isn't difficult to  
make a buck but  
it's tough to make  
a difference.**

Life is made up of  
constant calls to  
action.

Never forget, we  
have the power  
to begin the  
world again!

**You can not predict your future  
but you can invent it!**
